

CHECK PROTECT PROGRAM - Consumer

Effective April 8, 2024

The consumer Check Protect Program (“Program”) is a discretionary, fee-based overdraft protection program provided to Unitus Community Credit Union (“Unitus”) checking account holders as an opt-in service in accordance with the following policy. This policy is subject to change at any time without prior notice.

Alternative Overdraft Protection Arrangements (Preferred)

The Program is not meant to serve as the sole overdraft protection on your checking account and is not meant to encourage you to overdraw your account. We encourage you to establish a separate, less expensive overdraft protection arrangement, such as transfers from a Unitus savings account or line of credit. However, if funds are not available to pay items under an alternative overdraft protection arrangement, items presented for payment will be handled in accordance with this Program disclosure.

Eligibility

Most personal checking accounts are eligible for the Program provided you have opted into the Program and your account is maintained in good standing as follows:

- ✓ You have not caused Unitus a monetary loss;
- ✓ You have no currently delinquent loans with Unitus;
- ✓ You have not exceeded any periodic limit Unitus chooses to impose on Program usage;
- ✓ Your account is not subject to levy, garnishment, or other legal process; and
- ✓ You bring your account to a positive balance at least once every 30 days.

Account holders under the age of 18 years of age and Tru Checking account holders are not eligible for the Program. We may also impose additional eligibility requirements at any time, and we may terminate or modify the Program at any time at our sole discretion, even if you continue to satisfy the minimum eligibility requirements set forth above. We will notify you at the time we terminate or modify this service.

How the Program Works

Check Protect offers you two levels of protection: Full Coverage and Limited Coverage. You may opt-in to either plan, or choose not to participate, depending on your personal needs. If you do not select an option, your account will automatically be set for the Limited Coverage plan.

Under the Full Coverage plan, Check Protect covers overdrafts caused by:

- Checks (drafts), Bill Payment
- ACH withdrawals
- All debit card transactions

Under the Limited Coverage plan, Check Protect covers overdrafts caused by:

- Checks (drafts), Bill Payment
- ACH withdrawals
- Recurring (preauthorized) debit card transactions

Overdrafts caused by single debit card transactions are not covered under the limited coverage plan, for example, purchases made with your debit card for groceries, gas, etc. If no other overdraft protection service is in place, single debit card transactions will be declined if the available checking balance is insufficient.

Please refer to your Account Agreement for a description of how we determine the available balance to pay items and transactions (collectively referred to here as “items”). You may check your available balance at any time through our online or mobile banking service, at an ATM, or by calling us during business hours. Items that exceed the available balance in your account will be paid up to a pre-determined maximum overdraft limit, as established by Unitus. A fee, as set forth in the Fee Schedule, will be imposed for overdrafts created by items specific to your Program choice (Full or Limited coverage). Fees and charges are included in the Program limits. Each member and joint owner will be liable for payment of any overdraft, regardless of who created the overdraft.

Unless you are notified of a different limit, items that exceed your available balance will be paid to a maximum overdraft amount of \$100 for the first 30 days after your account is opened and \$500 thereafter.

Payment of any item that exceeds your available balance is always within Unitus’ discretion, and we reserve the right to return any item without paying it at any time. We reserve the right to pay any checks or items in the order they are

presented or received or in any other order in accordance with our normal operating procedures for such items or transactions. All accounts are subject to the terms of Unitus' Membership & Account Agreement.

Opting Out of Check Protect

If at any time you no longer want to participate in the Program, or wish to change your Program plan you can do so at no charge. However, you will remain responsible for any overdrawn balances at the time of opt out or cancellation. In the event you would like to have this service removed from your account, or changed to another Program plan, please contact us at (503) 227-5571 or 1-800-452-0900. You may also visit any of our branch offices, or notify us in writing by mailing your signed request to: Unitus Community Credit Union, PO Box 1937, Portland, Oregon 97207.

The Check Protect service represents a purely discretionary courtesy or privilege that Unitus may provide to you from time to time and which may be withdrawn or withheld by us at any time without prior notice or reason or cause. Should we terminate your Check Protect service, you will be required to opt in to Check Protect should you wish to utilize the service.
